ABOUT US

The Lexi is London's only Social Enterprise cinema!

The Lexi is much more than just a gorgeous little indie cinema.

Since we opened 18 years ago, we have given 100% of our distributable profits to our chosen charity, the Sustainability Institute in South Africa. We also run a diverse range of community projects, which include a women-only refugee ESOL film club, subsidised screenings for local schools and holiday groups, a monthly discounted film club for seniors with tea and biscuits, and more!

By celebrating your special occasion at the Lexi, you're supporting our community programmes in the neighbourhood and further afield.

WHY CHOOSE THE LEXI?

If you choose The Lexi for your event,you're choosing a beautiful, entirely unique, and award-winning venue with an experienced events and front of house team.
You're choosing a venue with an experienced team that's worked with hundreds of hire clients. That means we've about a zillion cups of coffee for film crews, poured a million glasses of fizz for wedding guests, and helped create countless treasured memories.
We've held hands with filmmakers showing their film to cast and crew, and soothed public speaking nerves. We've seen clients launch new businesses and tended the bar at more than a few private parties.. We' ve helped proposals go with a swing (they were always going to say Yes!). We'll always go the extra mile to ensure your event here is truly special!

We think the Lexi is the perfect venue for every kind of party. And our lovely hire clients agree, as you can see from their reviews... (and beaming smiles):
