## MAIN FEATURE

### LEAN ON PETE

From acclaimed filmmaker Andrew Haigh (*Weekend, 45 Years*), and based on the beloved novel by Willy Vlautin, comes this deeply moving story about love, loneliness, family, and friendship, told through the unique prism of one boy's connection to a very special racehorse. This *"sad and lovely new film...has the wonderfully easy, unforced naturalism and calm that distinguished Haigh's last two films."* ★★★★★ Guardian

### BEAST

This psychological drama-thriller starts with sheltered young Moll (Jessie Buckley) forming a surprising relationship with alleged serial killer, Pascal (Johnny Flynn). From there it's a master class in slow burn tension, ramped up by excellent lead performances. ★★★★★ Guardian

### I FEEL PRETTY

*"Amy Schumer's considerable physical comedy skills... make this 'go girl' comedy a fun pick for a ladies' night."* Common Sense Media. Grab the rosé and settle in for a good time!

### Pitchblack Playback: PALE GREEN GHOSTS, John Grant

Album listening session, in full, up loud and in the dark. Tickets £6.

### GREEN DAYS BY THE RIVER + live intro

This lovely coming-of-age story is based on a well-loved Trinidadian novel and gives insight into the lives that Windrush immigrants left behind.

**Sandra Saldanha** exhibits in the Gallery Bar. Private view: Tue, 19:00 – 20:30.
