MAIN FEATURE

BLADE RUNNER 2049

Officer K (Ryan Gosling) is a LAPD blade runner tasked with finding former blade runner Rick Deckard (Harrison Ford), who went missing 30 years ago. Before too long the two of them are on the run, fleeing Jared Leto's Niander Wallace, who wants to build a replicant army of his own. "A future classic." ★★★★★ Guardian. "Spectacular enough to win over new generations of viewers, yet deep enough to reassure diehard fans." ★★★★★ Mark Kermode

MET Opera Live: DIE ZAUBERFLÖTE

Mozart's beloved fairy tale delights in this modern classic of a production which excels in its cast and fabulous staging without overwhelming the meaning and impact. "Inspired cast gives Met's beloved "Magic Flute" a glorious revival." NY Classical Review
