LEXDOX

This stunning doc struts Alexander McQueen's spectacular artistry while also getting inside the head of the working class boy from Lewisham who saw beyond mere clothing to reimagine fashion's conceptual and imaginative possibilities. *"Like McQueen's designs, it is thrilling, troubling and tinged with tragedy."* Screen Intl ★★★★★ Empire

THE BREADWINNER

"A courageous girl seeks to save her father from the Taliban in Nora Twomey's magical adaptation of Deborah Ellis's novel." ★★★★★ Mark Kermode

ON CHESIL BEACH

"Billy Howle and Saoirse Ronan are on song as the young couple in Britain's duffel-coated early 1960s, in a restrained adaptation of Ian McEwan's novella." Guardian

HUMAN FLOW

LEXDOX

Ai Wei Wei bears witness to the tragedies of human migration. **A fundraiser screening for Salusbury World, on Refugee Day.** ★★★★★

Lexi Film School: MIKEY AND NICKY

Hand-picked by The Guardian's Film Editor Peter Bradshaw, this rarely screened drama from iconic American writer-director-actor Elaine May deserves much wider recognition.
