TENET

Armed with only one word – Tenet – and fighting for the survival of the entire world, the Protagonist (John David Washington) journeys through a twilight world of international espionage on a mission that will unfold in something beyond real time. The stellar cast includes Robert Pattinson, Elizabeth Debicki, Dimple Kapadia, Aaron Taylor-Johnson, Clémence Poésy, Michael Caine and Kenneth Branagh. *"It shouldn't make sense. It doesn't make sense. What it makes is amazing cinema. Wow."*
