MAIN FEATURE

L'AMANT DOUBLE

A vulnerable young woman falls for her handsome, caring therapist. Already this is wrong, but things get much more wrong when she begins to suspect he's not telling her the whole truth about himself. Director Francois Ozon has produced "a trashy, gorgeously styled movie that can be fun, frightening and even a little dangerous." Indiewire "With nods to Hitchcock, kinky, crazy and twice as fun" ★★★★★ Guardian

ZAMA

This dreamily beautiful colonial story from Lucrecia Martel has attracted raves from critics round the world. See why! "Mesmerising, exhilarating, intoxicating" Variety; "Beautiful, hypnotic, mysterious and elliptical" NY Times; and "There's absolutely nothing else like it in theaters this year, which I mean as both a hearty endorsement and a necessary forewarning." Atlantic

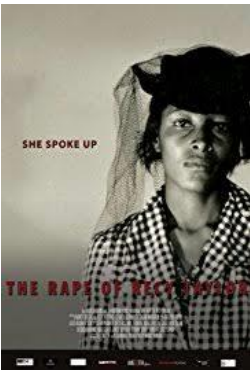

THE RAPE OF RECY TAYLOR LEXDOX

The gang rape of a young black sharecropper went unavenged in 1944, Alabama but Recy Taylor spoke out, becoming a lightning rod for the early Civil Rights movement. ★★★★★

Lexi Film School: RATCATCHER

Lynne Ramsay's bold film about childhood is introduced by film journalist/author Tom Huddleston.

Le Comptoir presents: CASABLANCA
